No. F. 433-IV/34-C & G.—Whereas the validity of the election of Mr. Umraliha by the North Madras (Muhammadan) constituency as a member of the Legislative Assembly has been brought in question by an election petition duly presented by Mr Abdul Latif Farookhi under the provisions of Part VII of the Legislative Assembly Electoral Rules ;

IN THE COURT OF THE ELECTION COMMISSIONERS

Appointed by His Excellency the Governor-General, under the Notification of the Government of India in the Legislative Department, No. F. 433-IV/34 C & G., dated 14th March 1935, as modified by the Notification of the Government of India in the Legislative Department, No. F. 433-IV/34 C & G., dated 12th April 1935.

Abdul Latif Sahib Farookhi .. *Petitioner*

v.

Umraliha .. .. *Respondent.*

This petition coming on for hearing to day the 18th June 1935, in the presence of Mr. T. S. Ramaswami Ayyar, Advocate for the Petitioner and Mr. Burra Satyanarayana, Advocate for the Respondent, and the Commission having heard the evidence and perused the necessary records, hereby makes the following report :—

Report.

This is an election petition presented to the Governor-General under rule 32 of the Legislative Assembly Electoral Rules and we have been appointed Commissioners for the trial of it.

There were four candidates for election in 1934, for the North Madras Muhammadan Constituency. The constituency contains 12 districts and there are 547 polling stations in it. With two of the candidates we are not concerned. They polled comparatively few votes and are not parties to this petition. But there was a very close contest between the first two candidates. Mr Umraliha (the respondent) was declared duly elected by the Collector of Guntur, who was Returning Officer for this constituency. He received 630 votes as against 625 cast for Mr. Abdul Latif Sahib Farookhi, the petitioner.

The election took place on November 10th, 1934 and the ballot papers were counted on November 21st. There were 70 ballot papers which were declared invalid by the Returning Officer as against 1,842 valid ballot papers. The 70 invalid votes were made up as follows :—

(a) 12 were rejected because the polling officer had not initialled them ;

(b) 14 were rejected for other reasons ;

(c) 43 were rejected because they were Hindu ballot papers and related to a Non-Muhammadan constituency.

More must be said about these 44 Non-Muhammadan votes. The election for the Non-Muhammadan Constituencies took place on the same day (November 10th) and the same polling stations were used. The Returning Officer for one of the Non-Muhammadan Constituencies was the Collector of Cuddapah, while as stated above the Collector of Guntur was the Returning Officer for the North Madras Muhammadan Constituency. A mistake occurred in connection with the ballot boxes from Lepakshi polling station, which is in the Anantapur district. The box containing Non-Muhammadan votes (37 in number) was by mistake sent to the Collector of Guntur, while that containing the Muhammadan votes (there was only one vote in it) was sent to the Collector of Cuddapah.

The Collector of Guntur failed to notice that the wrong ballot box had been sent to him. He opened the box which he received from Lepakshi on November 21st and found 37 ballot papers therein. Having made a note of this fact, he added these ballot papers without examining them to the ballot papers taken from other boxes.

The Collector of Cuddapah, however, did notice that the box received by him from Lepakshi was intended for the Collector of Guntur. He sent it to the Collector of Guntur with a covering letter (Exhibit A), which however, was not seen by the latter officer until the following morning, when the counting of votes was over and the result had been declared.

The 37 Non-Muhammadan votes in the Lepakshi ballot box opened by the Collector of Guntur were rejected as invalid. They were, however, subsequently packed out and sent back to the Collector of Cuddapah. The ballot box from Lepakshi relating to the North Madras (Muhammadan) Constituency forwarded by the Collector of Cuddapah was after notice to the candidates opened by the Collector of Guntur. The Respondent (Mr Umrahuin) who had already been declared elected objected to its being opened and the votes therein counted, but the petitioner who had been unsuccessful in the election did not object to that course. On being opened, the box was found to contain one vote only, cast neither for the petitioner nor for the respondent.

This mistake therefore did not in the least affect the result of the election. Nevertheless this mistake coupled with the closeness of the voting induced the petitioner to file this election petition. The petitioner attributes the mistake to errors in procedure committed by the Returning Officer (Collector of Guntur) and suggests that his erroneous procedure may have led to similar mistakes which were not detected. In particular, the suggestion so developed is that the seven other Non-Muhammadan votes rejected by the Collector of Guntur may have come to him in ballot boxes which ought to have gone to the Collector of Cuddapah and some Muhammadan ballot boxes may have been received and opened by the Collector of Cuddapah and the ballot papers rejected by him on the score that they did not relate to his Constituency. This suggestion has been met by Mr. Strathie, the Collector of Guntur, who was examined as a witness by the petitioner. All these seven Non-Muhammadan ballot papers found among the Muhammadan ballot papers can be accounted for. One came from Rexoin in East Godavari, one from Bezwada, two from Bellary Municipality, one from Pennamunda in East Godavari and two from Tummalcheria in Anantapur. In the case of five of these the polling officer has actually made a note on Form VI that a Non Muhammadan voter had put his paper in the wrong box. That was the voter's mistake.

To sum up. The 44 rejected Non Muhammadan votes have all been duly accounted for. Thirty-seven of them were received in a box from Lepakshi which was mis-sent to the Collector of Guntur and seven found their way into Muhammadan ballot boxes in various polling stations owing to mistakes committed by the voters themselves. There is therefore absolutely no foundation for the petitioner's suggestion that in addition to the Lepakshi boxes other ballot boxes went to the wrong destination and the mistakes were not discovered.

A word must be said about the petitioner's allegation that a wrong procedure was followed. He is under the impression that ballot boxes should not be opened and ballot papers should not be counted until Form VI has been received from every polling station. That is an misinterpretation of Regulation 48. But we consider that the main object of this Regulation is to ensure that all ballot papers entrusted to polling officers are duly accounted for by them. The Regulation, in other words, is intended as a check on polling officers and not primarily as a check on the Returning Officer or on his counting of votes.

We desire to draw attention to the fact that this petition was filed in haste and prematurely. If was presented before the returned candidate had made a return of his election expenses,—which is contrary to Rule 32 of the Legislative Assembly Electoral Rules—*vide* paragraph 21 of the petition.

The grounds on which an election may be declared void are given in Rule 44 of the Electoral rules. But in the petition there is no allegation of any corrupt practice, and no suggestion of undue influence or bribery. The petition can only be deemed to be based on an allegation that the election has been materially affected by non-compliance with the Electoral Rules and Regulations. We are unable to find that there has been in fact any such non-compliance with the Electoral Rules and Regulations, and we are satisfied further that the election has not been materially affected by the counting of votes before Form VI had been received from all polling stations by the Returning Officer.

We find that Mr. Umrahuin, the returned candidate and the respondent before us, has been duly elected. We recommend that the costs of the respondent be borne by the petitioner and we assess the costs at Rs. 500.

NOTIFICATION.

THE MADRAS TEXT-BOOK COMMITTEE.

In the office notification published on pages 353, 358 and 372 of Part I-B of the *Fort St. George Gazette*, dated 18th June, 25th June and 2nd July 1935, respectively, it was announced that books included in the lists of approved books issued prior to 1931, would not be retained in the Consolidated List to be published in 1936, unless they were approved afresh by the Text-Book Committee as required under rule 29 of the revised rules of the Committee published on pages 212 to 227 of Part I-B of the *Fort St. George Gazette*, dated 2nd April 1935

Enquiries have since been received in connexion with the publication of the Consolidated List of 1936 as to whether books approved for school use only should be submitted for approval or whether books approved for libraries or teachers also may be submitted, and whether the books included in the Consolidated List published in 1932, will be deemed to have been approved by the committee after 1931

It is hereby notified that in accordance with rule 29 of the revised rules, all books approved by the Text-Book Committee, whether for school use, for libraries or for teachers, or for any other classification, at its meetings held prior to 1st January 1931, will lose their approval unless they are approved afresh irrespective of the fact that their names are included in the Consolidated List of books published in 1932, or any other Consolidated List issued prior to that date

The Consolidated List to be published in 1936 will cancel all the previous Consolidated Lists and also the other periodical lists of books published in the *Fort St. George Gazette* prior to 1st January 1936 as having been approved by the Text-Book Committee at its meetings.

Authors and publishers who are therefore desirous of getting their books approved by the Text-Book Committee, and included in the Consolidated List to be published in 1936, should submit *one copy* of the latest edition of each book in accordance with this office notification published on pages 392 and 398 of Part I-B of the *Fort St. George Gazette*, dated 9th July 1935 and 16th July 1935, respectively.

Candidates for University Examinations are required to observe the following instructions very carefully:—

1. Strict silence should be maintained in the Examination rooms.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall, each day of the examination, their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer-books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so their answers will not be valued, and their conduct will be reported to the Syndicate for disciplinary action.*

Candidates are strictly prohibited from smoking in the examination room.

7. CANDIDATES ARE NOT ALLOWED THE USE OF BOOKS OF ANY KIND (EXCEPT AS PROVIDED IN RULE 8). THEY ARE ALSO PROHIBITED FROM INTRODUCING INTO THE EXAMINATION ROOM ANY BOOK OR PORTION OF A BOOK, SLATE, MANUSCRIPT OR PAPER OF ANY DESCRIPTION, FROM COMMUNICATING WITH OR COPYING FROM EACH OTHER, AND FROM COMMUNICATING WITH ANY PERSON OUTSIDE THE EXAMINATION ROOM. ANY CANDIDATE DETECTED IN THE VIOLATION OF THESE RULES WILL BE SENT OUT OF THE ROOM FORTHWITH, AND HIS CONDUCT WILL BE REPORTED TO THE REGISTRAR.

When compared with the area of 77,400 acres estimated for the corresponding period of last year it reveals a decrease of 12·4 per cent. The crop has been harvested in most places. The yield is reported to be below normal in all the districts except Nellore, Trichinopoly and Madura where it is reported to be normal. The total yield is estimated at 57,000 tons of unshelled nuts as against 66,700 tons during the corresponding period of last year.

2. *Early crop—Area and yield.*—The area under the early crop of groundnut (mostly unirrigated) up to the 25th July 1935 in the districts of Salem and Coimbatore is estimated at 96,000 acres. When compared with the area of 127,000 acres estimated for the corresponding period of last year, it reveals a decrease of 24 per cent. The decrease is due to late and insufficient rains. The condition of the crop is generally satisfactory. The total yield is estimated at 44,100 tons of unshelled nuts as against 61,100 tons estimated for the corresponding period of last year.

3. *Price.*—The wholesale price of groundnut (shelled) per imperial maund of 82·2/7 lb. as reported from important markets towards the close of July 1935 was Rs. 6–4–0 in Cuddalore, Rs. 5–10–0 in Vizagapatam, Rs. 5–8–0 in Vizianagram, Rs. 5–4–0 in Vellore, Rs. 5–2–0 in Guntur and Cuddapah, Rs. 5–1–0 in Salem, Rs. 4–15–0 in Nandyal and Rs. 4–10–0 in Adoni. The average of the areas under cotton in the Madras Presidency during the five years ending 1933-34 has represented 9 per cent of the total area under cotton in India.

2. The area under cotton up to the 25th July 1935 is estimated at 303,600 acres. When compared with the area of 198,400 acres estimated for the corresponding period of last year, it reveals an increase of 53 per cent.

3. *Central districts and South—Mainly Cambodia tract.*—The area in the Central districts and the South represents generally the last year's crop left on the ground for second pickings before the plants are removed in September in compliance with the provisions of the Pest Act. The wholesale price of cotton lint per imperial maund of 82·2/7 lb as reported from important markets towards the close of July 1935 was about Rs. 19-10-0 for Coconadas, Rs. 22-10-0 for red Northern, Rs. 24-11-0 for white northerns, Rs. 20-0-0 for (early crop) Westerns, Rs. 20-14-0 for Cambodia, Rs. 28-12-0 for Coimbatore Karungunni, Rs. 28-6-0 for Tinnevelly Karungunni, Rs. 26-12-0 for Tinnevellies and Rs. 28-2-0 for Nadam.

STATISTICS—1935-36—GINGELLY—FIRST REPORT.

2. *Area.*—The area under gingelly up to the 25th July 1935 is estimated at 307,000 acres. When compared with the area of 310,000 acres estimated for the corresponding period of last year, it reveals a decrease of 3,000 acres, i.e., about 0·9 per cent. The decrease in area occurs in East Godavari, South Arcot, North Arcot, Salem, Tanjore and Madura and is due to want of timely sowing rains.
